

# BE WELCOME TO OUR DREAM!

## **Capital Granites & Marbles is**

the dream of two entrepreneur sisters in Brazil's countryside. They always prioritize natural Stones and have become reference in the region producing **Cristallus** among other types of quartzites. Their dream turn into reality when they started to sell to all the states in Brazil and to export around the world.

The **quality of the materials**, the **technology** and the **commitment to our clients** are the **base of our company**.
