

About Us

Welcome to Sodostone, the trusted global supplier of superior quartz surfaces since 2011. We are committed to excellence in everything we do, from selecting the finest raw materials to utilizing the latest manufacturing technologies. Our quartz surfaces are not only durable and functional but also visually stunning, making them a popular choice for both residential and commercial applications.

At Sodostone, we are dedicated to customer satisfaction and offer a range of services, including custom fabrication, design consultation, and project management. With a global presence and products exported to over 50 countries, including the United States, Canada, Europe, and the Middle East, our reputation as a reliable and trustworthy supplier of high-quality quartz surfaces has been firmly established. Architects, designers, and homeowners alike trust us to deliver nothing but the best.

QUALITY GUARANTEE/WARRANTY

All Sodostone Quartz Surfaces are backed by our 10-years limited Warranty. For more information, please visit our website.

Sodostone provides the quartz stone in two standard slab sizes:

3000x1400mm/3200x1600mm.

Thickness: 20mm/30mm

And one super jumbo size:

3300mm*1900mm

Thickness: 20mm/30mm

Your specific size requirement may also be accomplished.

We now also offer custom Colour-Matching and Pre-fabrication.

For project works. Just bring us your sample and drawing.
