

## ABOUT US

IVASTONE was founded in 2002 in Denizli Turkey. With over 20 years experience, we became one of the most well-known companies in natural stone sector by dynamically growing up as manufacturer and exporter of marble and travertine products with any kind of surface treatments.

As IVASTONE, we always aim to being one of your your most reliable supplier from Turkey by our product/pricing match and sustainability. We serve our customers such as manufacturers, importers, retailers, contractors, architects and designers with our best quality products and perfect sale/after sale service.

We always look for opportunities to find new customers all around the world. Our mission is to hold the customer satisfaction at highest level without making any concessions. IVASTONE aims to be one of your best partner finding and supplying what you exactly require. Protecting our reputation in sector and doing each job like our first job are well important than anything else.

We try to expand our market at the countries that we still export and have an appreciably volume at new countries. Contact with IVASTONE and be satisfied the service you will have.

We supply the product and you design your world!
