## About Us

Our Choice of an Arabic name shows excessive pride in our origin **Egypt**, one of the few areas in the world famous for its quality stone.

The innovative management practices and dynamic leadership has resulted in the company's growth as one of the top manufacturing houses in the Egyptian market.

**Ahjar Sinai** is one of the fastest growing companies in the stone industry.

We at **Ahjar Sinai** supply a full range of stone products which includes blocks, slabs and tiles. Our products are manufactured with top quality raw materials combining elegance with durability, exceeding the industry's highest standards.

**Ahjar Sinai** offers a complete selection of natural stones including marble, limestone and sandstone.

Our policy targets on working closely with our clients and providing optional solutions to their natural stone requirements with the professional hand made products and latest machine technology.

We closely monitor factory production to give prompt and personal service. We maintain supervisors specifically for quality control and ensure that materials are delivered as originally specified.

**Ahjar Sinai** core strength lies in offering customers with the best services through a dedicated team of qualified and experienced professionals committed to quality and customer satisfaction.

**Mission:** "We are dedicated to be the pioneer natural stone supplier, to produce items that are outstanding in the market of the parallel products, and setting ourselves apart from the market through the excellence of our people"
