

ADK Marble, a distinguished marble supplier, stands among industry leaders with twenty years behind us. Our commitment to excellence is evident through our two privately owned quarries, advanced factory, and expanding international sales network.

We take pride in producing over 50 distinct marble materials, employing state-of-the-art Italian machinery. Each material showcases exceptional quality, embodying our dedication to craftsmanship and innovation. As an export-oriented company, our exquisite marble products reach customers worldwide.

Visit us at the esteemed Marmomac Fair, where we eagerly await the opportunity to welcome you and showcase the timeless beauty of our marble products.
